

# HOW IT WORKS

- 1 Gather your gear—you'll need a **camera** (on your phone is great), our list of **Items to Find** (on the following page and on our website), a **face mask**, and **water** to stay hydrated.
- 2 Explore Ka'ahumanu Avenue and Main Street between Kahului and Wailuku to look for our list of items **before November 30, 2020**.
- 3 **Take a picture** of each item you find and share them on social media—be sure to tag your photos with **#kaahumanumaui** or email them to us at **info@kaahumanucommunitycorridor.org**.
- 4 Each week, we'll hold a **prize drawing** for participants who have emailed us photos or tagged posts on social media. You could win a gift card to a local business, bike safety gear, or other great prizes!

# TIPS TO PARTICIPATE

- ✓ Everyone is welcome, but if you're under 16 years old, ask a parent or guardian to join your team!
- ✓ Follow Maui County and State of Hawai'i guidelines on group gatherings and social distancing—stay at least 6 feet away from others while you're exploring and wear a face mask, as appropriate.
- ✓ Don't trespass onto private property.
- ✓ Take photos with people in them, whether yourself, friends, or others.
- ✓ While you're on the hunt, consider how the **Items to Find** make Ka'ahumanu Avenue and Main Street safer and more enjoyable.

# SCAVENGER HUNT

**NO GROUPS OR GATHERINGS?  
NO PROBLEM!**

fold me here for easy carrying!

Join our no-contact Scavenger Hunt.

Head out on foot or with your mobility device, on a bike, by bus, or by car to see how many items you can find from our list.

Then share your photos via email or with **#kaahumanumaui** and you'll be entered to win a prize!

# ITEMS TO FIND

## **FUTURE MURAL LOCATION**

Wailuku Town has beautiful murals that brighten blank walls. Snap a picture of a location on Main St or Ka'ahumanu Ave for a new one.

## **PLACE WHERE YOU CAN GET YOUR SHOP ON**

Snap a pic of your favorite place to shop. Is it a store in Wailuku, the Queen Ka'ahumanu Center, or somewhere else?

## **WATER ACCESS**

Some people swim in pools, some people swim in oceans. Take a picture of people enjoying the water near the corridor, whether in a canoe, on a surfboard, or swimming.

## **INTERESTING SIGN**

Businesses use fun signs to let you know how to find them. Show us one along the corridor that you think is pretty neat.

## **PARK**

Parks come in all shapes and sizes. Is your favorite a ball field, a playground, or a garden? Show us where you relax or play along the corridor.

## **UTILITY BOX TO PAINT**

Painting a utility box makes it go from plain to poppin'. Look for one that needs some love on the corner of an intersection with a traffic signal.

## **PLACE TO PLANT A TREE**

Take a photo of a spot that needs a tree. Trees are awesome because they provide shade and help clean the air.

## **TOUGH PLACE TO WALK**

Sometimes a sidewalk ends, or you can't cross the street—what a bummer. Help us find locations along the corridor that need sidewalks or safe crossings. Can you find a spot that would be really tough for someone in a wheelchair or pushing a stroller?

## **SCULPTURE**

Did you know you can find cool sculptures on Ka'ahumanu Ave? Find the stone fish sculpture at Maui Mall Village, a group of metal trees on the UH campus, or another interesting sculpture.

## **BENCH OR PLACE TO SIT**

Snap a selfie of you sitting on a bench. Is it outside a library? At a bus stop? In a park? Can't wait to find out!

## **MAUI BUS**

Maui Bus moves a lot of people around the island each day. Can you catch a bus zooming down the street? Or find people getting on board at a stop in the area?

## **BEAUTIFUL MAUI**

Maui is full of natural, historic, and cultural sites, and the view into the 'Iao Valley is amazing. Snap a pic that truly captures the beauty of Maui.
